

# PhD Opportunity

I am looking for a PhD student to start October 2024.

To work in the area of **developing techniques to automatically test software**, with a potential emphasis on software for quantum computers.

Tuition fees paid!

A stipend of £19,237 per year, tax-free\*

# Talk to me if...

- **You like coding**, and developing pieces of software (v. Important!)
- **You like to read about the latest developments and cool new techniques in Computer Science.**
- You're the **inquisitive** type who likes finding the answers to questions, big or small...
- **You want to help developers build more reliable software in the future!**
- You are headed for a 2:1 or better in your degree
